

Burlington County Fire Chiefs Association

Established 1929

Hello Friend of the Fire and Emergency Services,

I hope this letter finds you well. The Burlington County Fire Chiefs Association is preparing to host the 10th anniversary of our Leadership In The Firehouse seminar. This dynamic and interactive training session, which draws firefighters, fire officers, and emergency response leaders from around the region who are eager to learn and are passionate about emergency services, is scheduled for Saturday, November 16, 2024, at the Burlington County Emergency Services Training Center in Westampton, NJ. This event is a key opportunity for leaders and future leaders in the fire and emergency services to come together and enhance the development of their leadership skills. Our presenters are nationally recognized speakers who will share their knowledge, experiences, and expertise with our colleagues in the fire and emergency services communities.

Would you consider being a sponsor for this great training opportunity for first responders? As a seminar sponsor you will be instrumental in preparing firefighters, fire officers, and emergency response personnel with valuable knowledge and skills they will use in their development as great leaders in their own organizations and in the emergency services communities. Your sponsorship would not only contribute to the success of the seminar but would also highlight your organization's dedication to supporting the brave men and women who serve our communities every day. Also, there will be opportunities for you and your team to connect with this dedicated group of established and emerging leaders before, during, and after the event.

Enclosed is a brochure outlining the sponsorship opportunities and the benefits your organization will receive. We would be honored to discuss how we can partner with you to make this seminar a success.

Thank you for considering our request. We look forward to the opportunity to collaborate with you to ensure the success of this important training seminar. If you have any questions or need further information, please feel free to contact me at dnesbitt.bcfca@gmail.com.

Best regards,

Donald E. Nesbitt
